Dear Parents,

Tapestry Online Learning Journals

At Tansor Playgroup we use a piece of educational software called '**Tapestry**' which creates individual online 'learning journeys' for your child.

By logging on with a secure username and password you will be able to view all of your children's observations, photographs and video clips. You will also receive an email telling you when a new observation or piece of work is available for you to view. This will enable you to follow your child's individual progress closely and you can then reflect upon your child's achievements with them. You can then add comments, and your own observations so that we as staff find out about which activities your child really enjoyed and the learning they get up to at home.

Staff will reference your child's learning to the EYFS profile so you will know which area of learning your child is working within for that activity. All of this information is stored on a highly secure server which is monitored closely.

The safeguarding of our children is very important to us. Everything that is added to Tapestry will be added to our playgroup account and can only be viewed by playgroup staff that use the system, and also yourself, using your own log on. You will only have access to your child's own journal and this cannot be seen by other parents although photos taken will often include other playgroup children. For this reason, it is crucial that you do not share photos or videos from your child's journal on social media or through other online platforms. Any incidents where this confidentiality is broken will be dealt with very seriously and will result in your access to the system being withdrawn.

E-safety is extremely important to us at Tansor Playgroup, therefore we ask you to sign the agreement overleaf to show that you understand and agree to our guidelines. Please then add your **details, address and email address** and return to us **as soon as possible**.

We are sure that you will love this way of viewing your child's achievements.

Many thanks,

Yours sincerely,

Michelle Tilley
Playgroup Leader
